**Nice to meet
you**

Hi, I'm Louis. Welcome to
my portfolio website!

I sell T-shirts, write books

teach and develop
software.

My **T-shirt business**
produces T-shirts with

motivational slogans to spread positivity amongst its customers. I've also written a **book on fitness**, and **teach in Maths, English and German** (all ages and abilities welcome).

Currently, I am studying for a **Full Stack Developer certification** to be able to design websites from front

to back.

Nice things people have said

“

I can say that without a shadow of a doubt Louis is one of the most

people I have had the pleasure to meet and he has an excellent way with people.

”

— Francis M.

“

It's been great having Louis around these last few months. My son really enjoys his Zoom session with him and I hope he can continue as long as he is able.

”

— Jane S.

“

Louis' T-shirts look absolutely fire! I'd recommend them to anyone.

”

— Ben H.
